*14th April 2009*

**African Business Entrepreneurship Network (ABEN)**  
**“Entrepreneurship, Trade and Investments “**

The African Youth Foundation (AYF) together with and the JANERO Consultancy in Germany, will be holding an African Business and Entrepreneurship Network (ABEN) Business Dinner on:

**“Entrepreneurship, Trade and Investments “**

on **13th June 2009**, in **Hotel Königshof** Bonn, Germany.

The aim of the **African Business and Entrepreneurship Network** is to facilitate cross relations between the African Diaspora business community and other Professionals, Investors, Businesses, Entrepreneurs and Students. By this, the groups are able to secure exposure and gain insight in business and investment opportunities in both Africa and Europe.

The focus will be on:

- Financial Services;
- Banking and Investments,
- Information Technology,
- Entrepreneurship (Youth und Women); and
- Mineral Resources from Africa.

This year’s event will introduce the **“Entrepreneurship Incubator**, which will encourage innovation and entrepreneurship amongst the African Youth. It is expected that the Entrepreneurship Incubator will try to discover, develop and groom young African Diasporas interested in professional careers.

Companies, Organisations, Institutions and individuals interested in showcasing their products or successful business stories could contact the secretariat for further information at: [coordination@ayf.de](mailto:coordination@ayf.de)
